Discussion Questions

Proverbs 3:21 says that we are to have two life goals: Walk in God's wisdom and discover discernment.

- 1. How do you think we access God's wisdom? Where do we go to find it?**
- 2. Why would we need to 'discover' discernment? Do we need help to discern God's wisdom? How might He want to help us?**
- 3. What does Proverbs 3:21-26 tell us we should expect in life as we walk in God's wisdom?**
- 4. What is one thing you would like to do to gain more of God's wisdom?**
- 5. Proverbs 4:5-9 says in the Passion Translation:
"So make wisdom your quest—search for the revelation of life's meaning. Don't let what I say go in one ear and out the other. Stick with wisdom and she will stick to you, protecting you throughout your days. She will rescue all those who passionately listen to her voice. Wisdom is the most valuable commodity—so buy it! Revelation knowledge is what you need—so invest in it! Wisdom will exalt you when you exalt her truth. She will lead you to honor and favor when you live your life by her insights. You will be adorned with beauty and grace, and wisdom's glory will wrap itself around you, making you victorious in the race."**

Would you say that your life is currently lining up with God's desire for you, that you are making it your life's quest to gain His wisdom?
What is your response to this, and what would you want to say to God about it?
